General Comment

Today I learned that The Department of Labor is starting to enact regulations that would restrict how I use my own money that is for my retirement. You have already taken away my healthcare and the Presidents wife wants to tell we the People how we should eat. I want you to leave your hands off of my IRA. Please keep your hands off of my or any other United States Citizens IRA and 401K. You work for We The People not the other way around.
